

OPERATION ILLUSTRATION

1. Fully extend the antenna of the controller.
2. Turn on the power switch of the car.
3. Operate the car by the two control sticks of the controller.

MADE IN CHINA

CERTIFICATION

Product name: Remote Control Car

Model No: 9029

Main material: plastic, electronic components

Applicable age: 8 years old and above

Operation: Please see the operating illustration on the left

Implementing standards:

GB 6675-2003 GB 19865-2006 GB 5296.5-2006

Maintenance: This product contains electronic components, do not play under water or damp environment. Wipe off the dust by a piece of dry and soft cloth.

O 000010

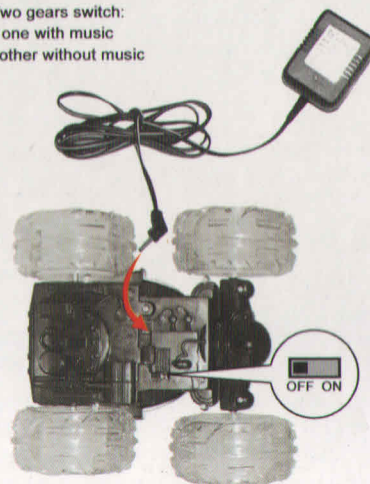

WARNING:
